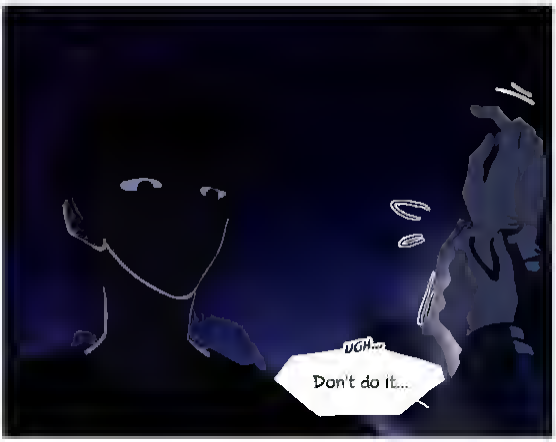
That time,
I saw it.
Slowly
moves

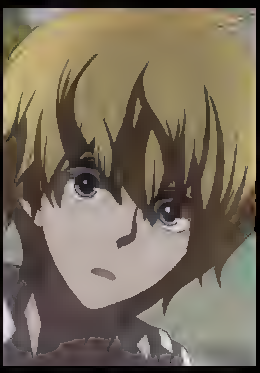
Why don't you
show it to me again
one more time?
?!!



UGH...
Don't do it...

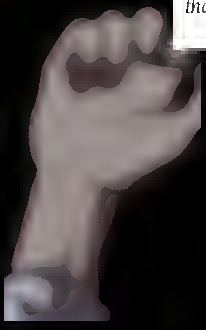
DON'T DO IT!!!!

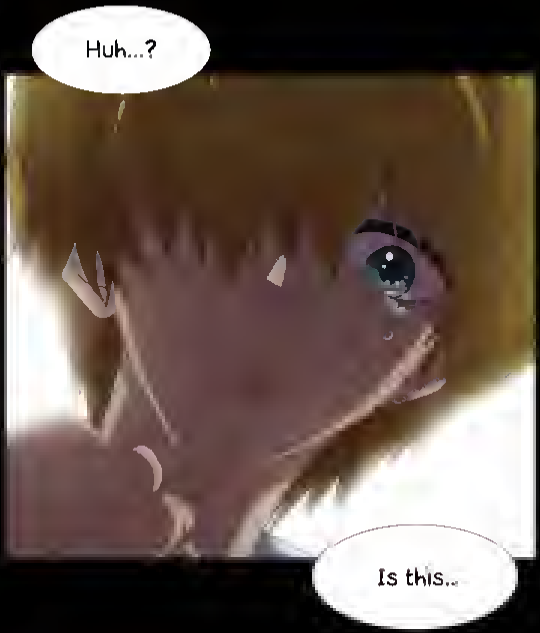
I always tried to keep smiling.



What about my situation?

I am happy and I don't feel any pain - that is what I've repeatedly told myself



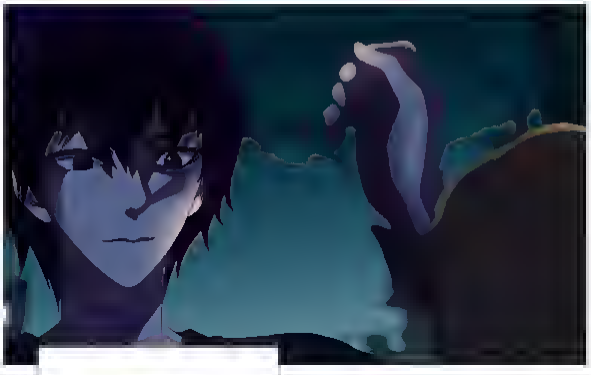


Huh...?
Is this..

Is this the reason why I died?
It's revolting.
If this is all because of that scary reason

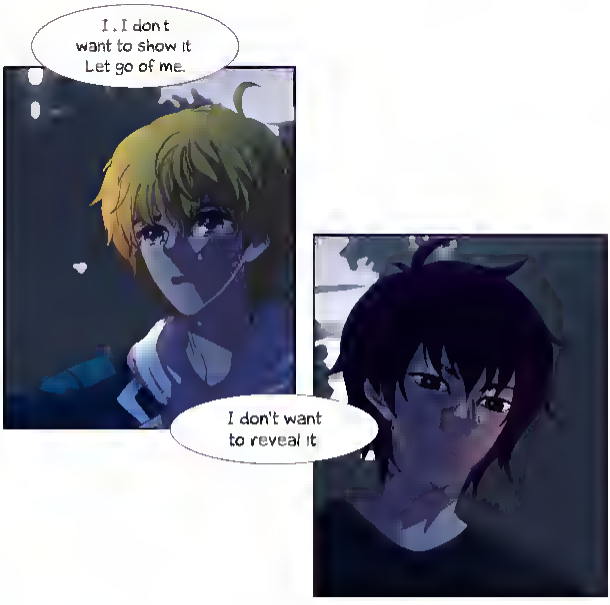
No...Before that,
when I was alive...

-Chapter 54-
Jealous』 [5]



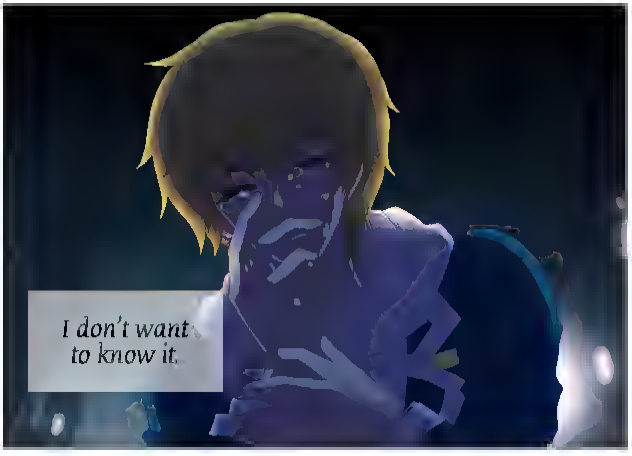
Was I in so much pain and anguish,

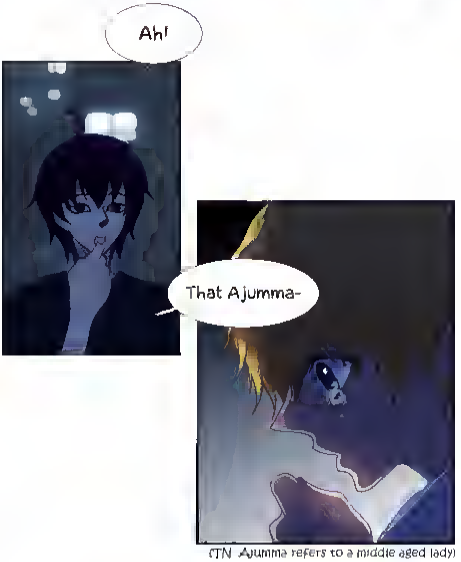
that I had no choice but to kill myself this way?



I . I don t
want to show it
Let go of me.
I don't want
to reveal it

A thing like my past...





CTN: Ajumma refers to a middle aged lady

You saw all of my past, right? That is "why" I was so attached to Haram
Then, what about you?

Ah! Perhaps she is someone related to you?

He is mocking me.

I wonder just how much pain you were in for you to choose such a path, at such a young age
TskTsk It's quite frightening
Hm? Why are you making a face like that?

Maybe it's just that
You don't want to know about your past?

Well. You wouldn't want to accept the fact that you tried to kill yourself that way.
I suppose that is why you pretended to act like an idiot and tried to cover up your anxiety by laughing.
You were feeling anguished inside, all while laughing on the outside.

In truth, doing that wouldn't change anything anyway...
No. That's not true.
It is true that I was in pain
However, I never pretended to act like that in front of Haram

If I were in pain,
Haram will feel that pain with me and cry for me

That is why I tried to keep smiling.
Although I tried to keep smiling, the smile itself was not a lie.

Being with her
is fun and joyful

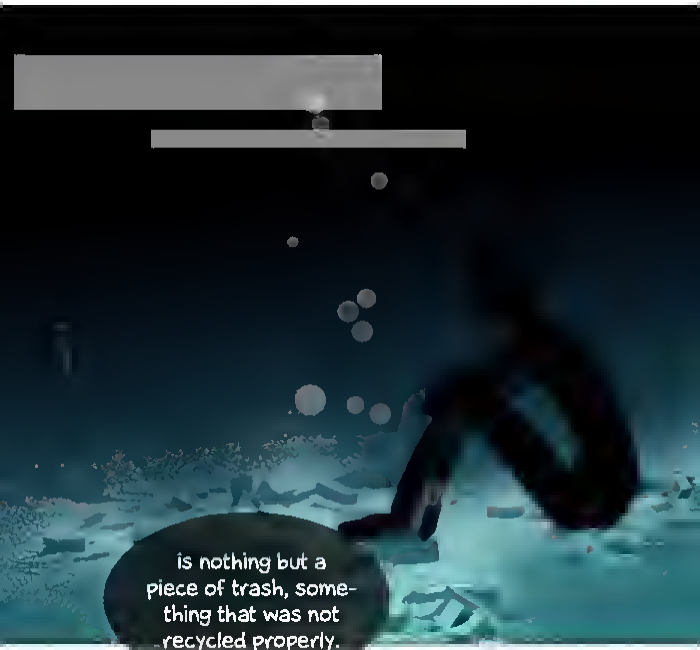
I am extremely grateful

I am.

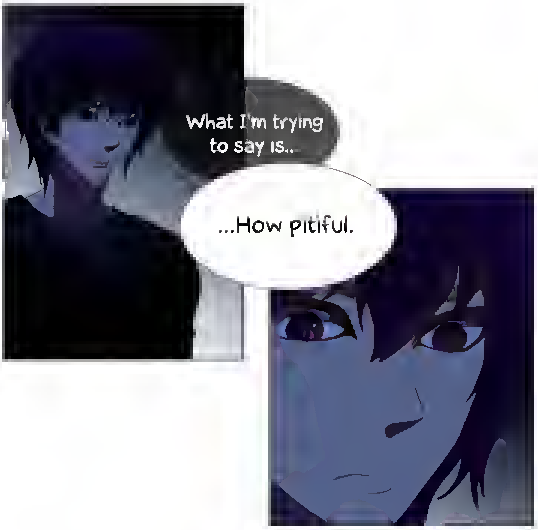
Because you picked up the necklace,

I met you, and for that, I'm really glad

What do you think our existence is?
...?

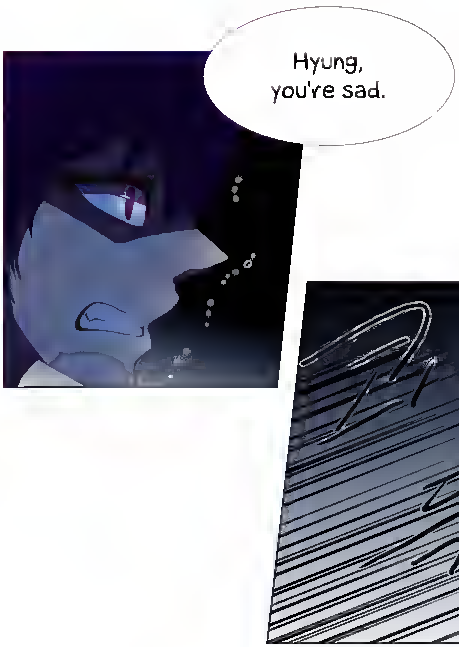


Our existence
is nothing but a piece of trash, something that was not recycled properly.



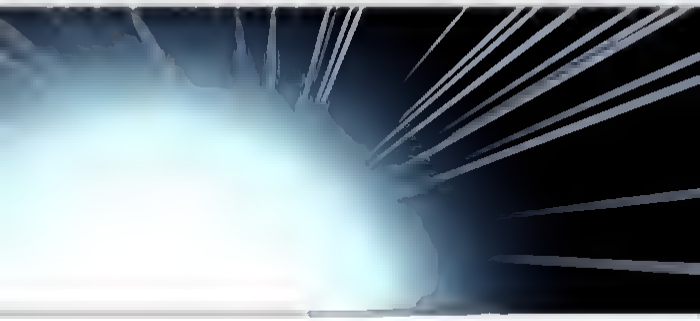
What I'm trying to say is...
...How pitiful.

Can Hyung only ever express the value of your existence in that way?
I have never thought of myself like that



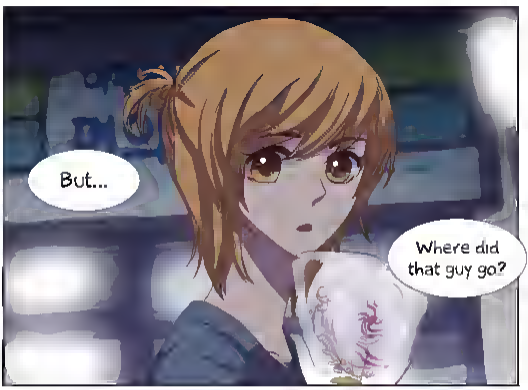
Hyung, you're sad.
?!
SFX Bash

YOU...YOU DON'T KNOW ANYTHING!!
I'M GOING TO ERASE YOU!
You said it was impossible to for our existence to cease
COUGH
If you're going to try, do so
SFX Glows
ASSHOLE!



Kya!

Ugh that scared me! Moths are so annoying
I was so startled I dropped it!
It's a "special day" present for Gaon, but now it's all cracked!



But...
Where did that guy go?

Extra Page!!

....

Hey...Maru.
Is my role a narrator?
My lines are awesome.
Hehe.

No, your role is
make readers mad.

Ah ....!

Serves you right, Hyung! Ahahahahaha

Your role is the stupid idiot who keeps getting hit but still fights back

That actually hurts, you know...

Don't give up, Fluffy

I finally got rid of him, but he would surely catch up to me!
I did try to fight back...
You said it was impossible to for our existence to cease

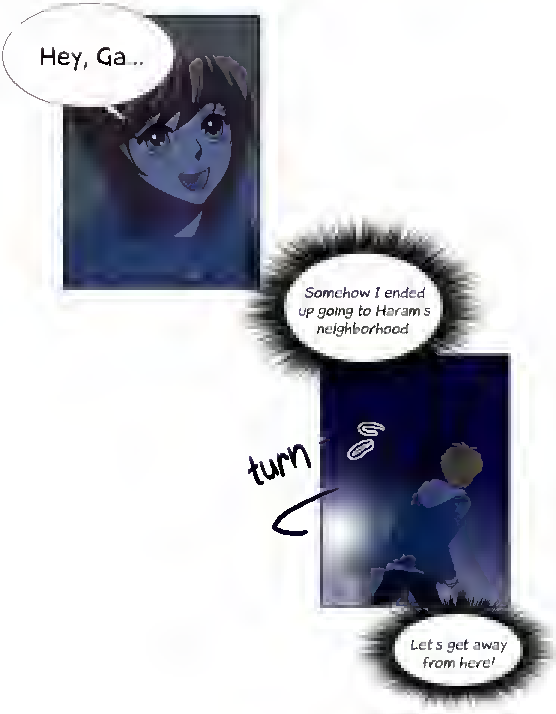
But I just can't win head on
If you're going to try, do so
ASSHOLE!
STX Glows

He's really mad at me to the point where he would follow me to the ends of the earth

?!



Hey, Ga..
Somehow I ended up going to Haram's neighborhood

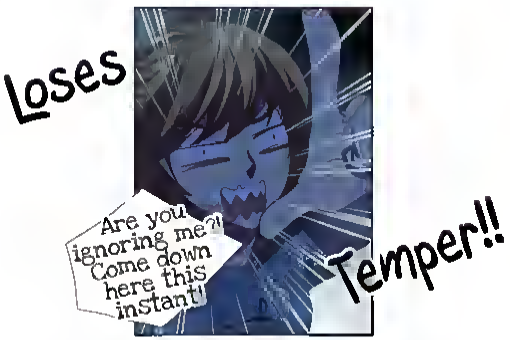
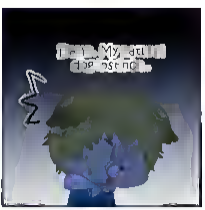
Let's get away from here!

Oh?

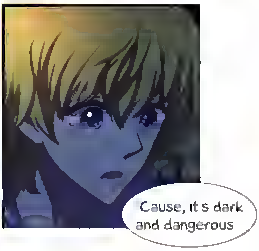


Loses
Are you ignoring me?! Come down here this instant!!
Temper!!

Yes ma'am
Good Boy
zip-



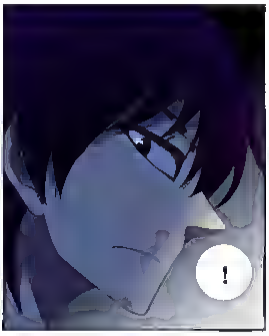
Haram go home right now
Huh? Why?



Cause, it's dark and dangerous

SFX BASH

You only came this far after running away so hurriedly?



!

Gaon? What's wrong with you?

Ha_ram?

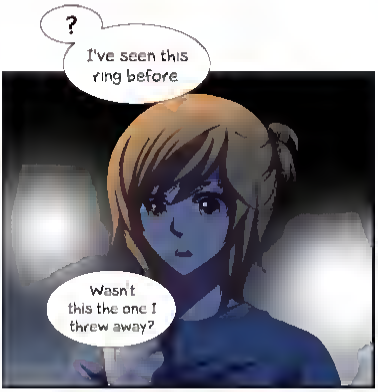
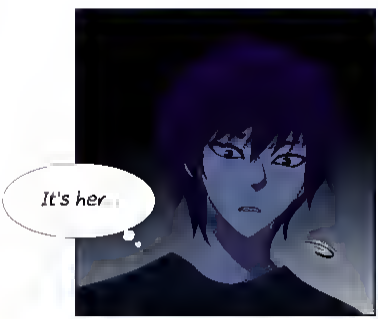
Roll~

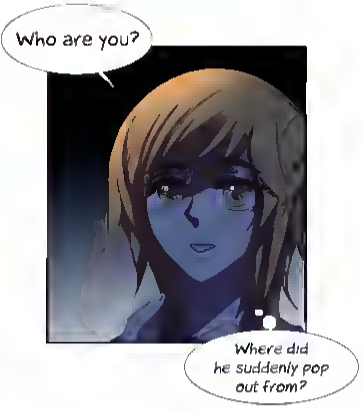


?
I've seen this ring before
Wasn't this the one I threw away?

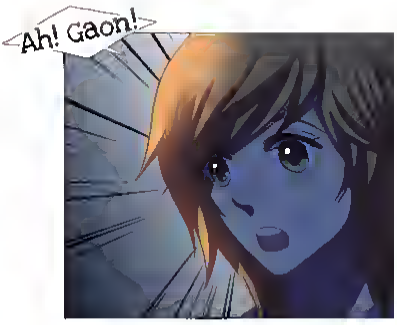
Why is it here...
Huh?



It's her...

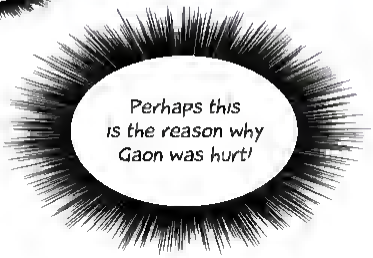


Who are you?
Where did he suddenly pop out from?



Ah! Gaon!

Huh?!



Perhaps this
is the reason why
Gaon was hurt!

Get your
hands off!

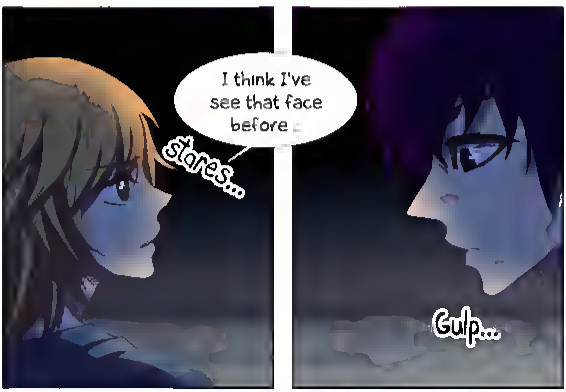
What are you doing?!

But Gaon is a ghost, how can you...

Are you a ghost too?

Ghosts should be getting along with each other! Why are you guys fighting?!
Just where did that logic come from

Ah, but...



I think I've see that face before...
stares...
Gulp...

Then
I remembered..

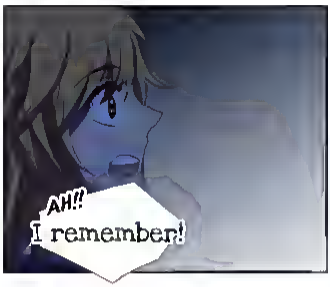
Uhm~
I like it...
but it's too
expensive

Whoa! For real?
I'm so excited

Haha. People often
call me a tomboy but I'm
trying to be more girly

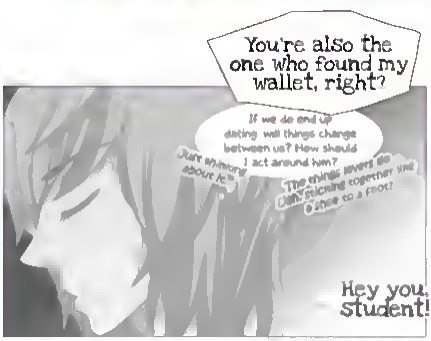
Here you go~ your necklace

But aren't you cold? Wearing t-shirts during the winter?
I was eating outside, but hurriedly came out after seeing such a pretty customer
Hehehe, pretty customer, hehe



AH!!
I remember!

You're the one who sold me the necklace!



You're also the one who found my wallet, right?
If we do end up dating, will things change between us? How should I act around him?
Just whining about it.
The shining lovers do. Daily sticking together like a shoe to a foot?
Hey you, student!

Huh? What. Then...

What?

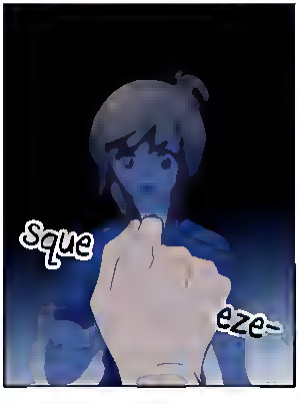
What are you?!

And why are you even hurting this poor guy?!
Haram, it's dangerous
WHAT IS?!
Hey! Why are you going around and getting beat up?!
Don't you know how worried I was?! You didn't even tell me anything!
I WAS MAD!
Sorry...
Are you apologizing?!

Are you... crying?
Sob

It's because you're harassing my friend! If my friend is hurt, I also feel hurt

So it hurts.



no different
from last time

Sorry...

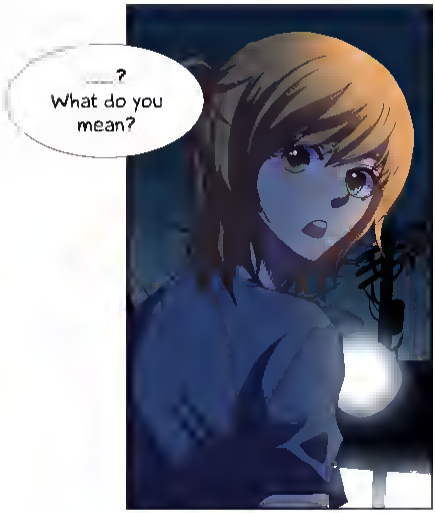
HAH? WHAT?!
WHAT IS?!

IS he gone?
Did he leave?

So that Hyung is the one who sold the necklace

He said it was my necklace, but why did he have it?
Putting that aside to leave simply because Haram is getting mad

Haram, do you remember meeting him when you were young?



____?
What do you mean?

ARE YOU HIDING SOMETHING AGAIN? TELL ME! WHAT IS IT?!
Ugh! That is

Maybe it's because she was too young, and she can't remember

Let's go back
"home" for now

I need to explain

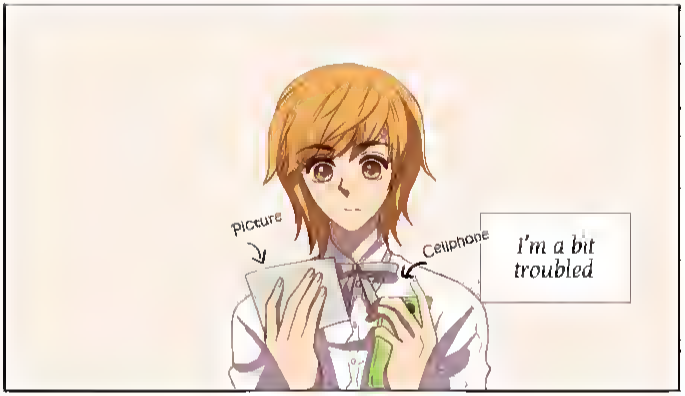
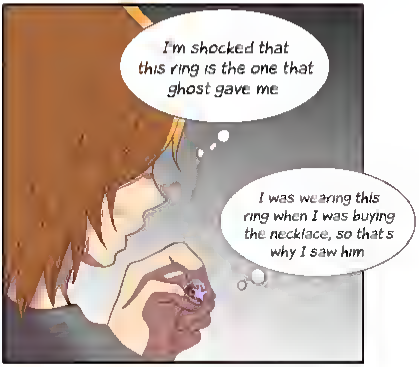
Chapter 55
Jealousy (6)

Right now,

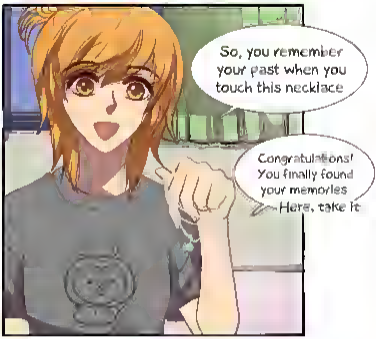


So, you're the original owner of the necklace?

I listened to a summary of what happened.

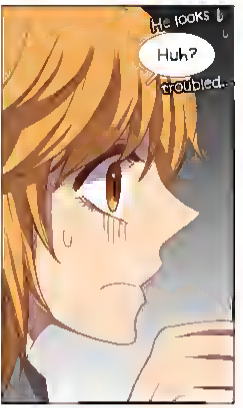


I'm shocked that this ring is the one that ghost gave me
I was wearing this ring when I was buying the necklace, so that's why I saw him



So, you remember your past when you touch this necklace
Congratulations! You finally found your memories
Here, take it

No!

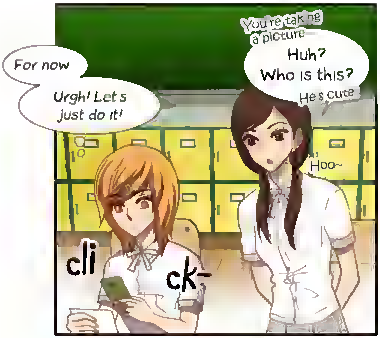


There is no reason to know after coming all this way.

I don't care anymore. I don't want to know.

I didn't pressure him anymore than that because he was about to cry if I did.
Maybe it's about his memories right before he died?

But still, wouldn't he want to meet his family and friends?
I want to find them for him...
He looked so sad that I couldn't give him his present for the "special day"



For now
Urgh! Let's just do it!
You're taking a picture
Huh? Who is this?
He's cute
Hoo~
cli
ck-

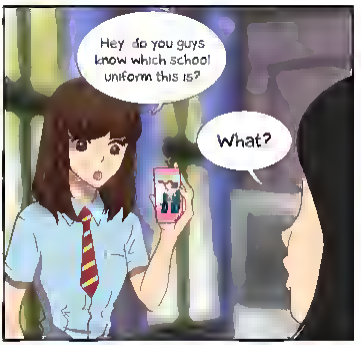
First, I'll post on Facebook and Twitter.
ANYONE KNOW WHICH SCHOOL THIS UNIFORM IS FROM? PLEASE
I HATE MORNING CLASSES
Maybe I'll learn which uniform this is if I upload it onto Uniform Café.

CTN: In this case, café doesn't refer to a restaurant or coffee café. In Korea, a café is an internet site where people gather.

I could probably learn more about his family if I learn which school he is from

I'll find it for you.
Your family and your memories
If you're avoiding the necklace because it holds scary memories,
then I'll find only happy memories for you.

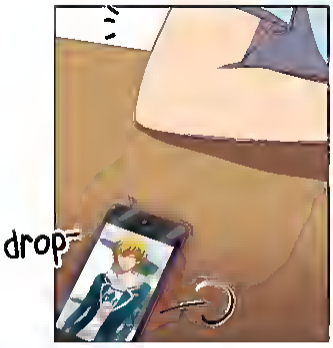
If I keep tracing your memories, I'll probably come face-to-face with your memories.

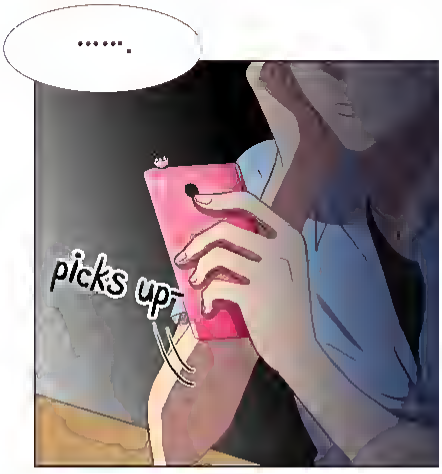


Hey do you guys know which school uniform this is?
What?

It's from a café I frequent.
I was wondering because this uniform is cute
You're just interested in that guy
He's cute right?
Oho~

AH, I WAS WONDERING WHY OUR CLASS'S BOYS ARE SUCH ANNOYING THINGS
KUWRGHJAK!





Hey, do you know which school this picture uploader's from?

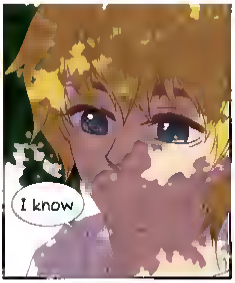
Jealousy (7)

He said he was getting rid of it.
So he threw it away
What if his memories are stored in the ring like yours are stored in the necklace?
Ha
You got it.
Do you think he had some scary past that he didn't want to remember anymore?
That's kinda sad

B-But I'm not saying that all ghosts are sad!
I don't think you're like that at all!



I know

Gotta be careful with what I say in front of him

So why did he sell me a necklace that lets me see you?

Maybe he did it because he was angry you didn't remember him?

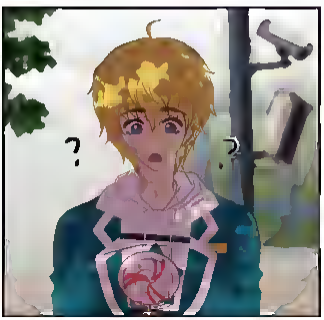
But he didn't look angry
If he just told me he was the person who gave me the ring I would have been happy to see him again.
Though he's not a person
But I don't like him anymore after seeing what he did to you

Well, that's not important right now

If we run into him again, I'll confront him about it

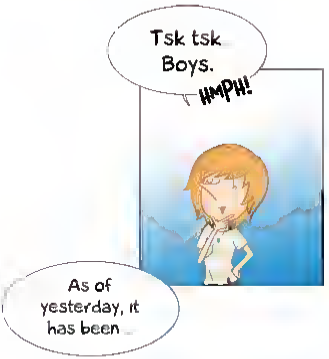
Here.
A present.

I was gonna give it to you yesterday but I couldn't.
Sorry it's a bit cracked

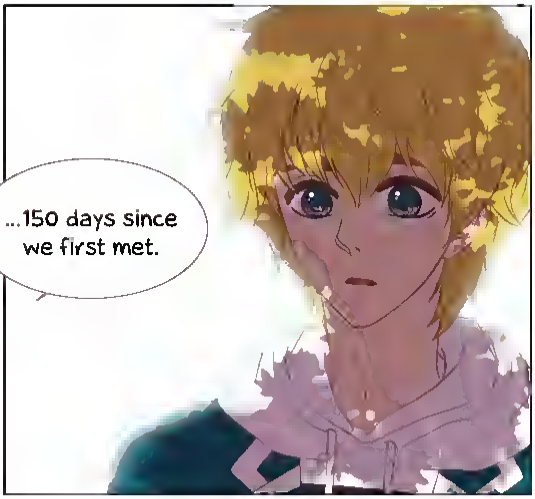


?
?

Huh? Why though?
Not that I don't appreciate it.



Tsk tsk
Boys.
HMPH!
As of yesterday, it has been ...



...150 days since we first met.

Fifty!

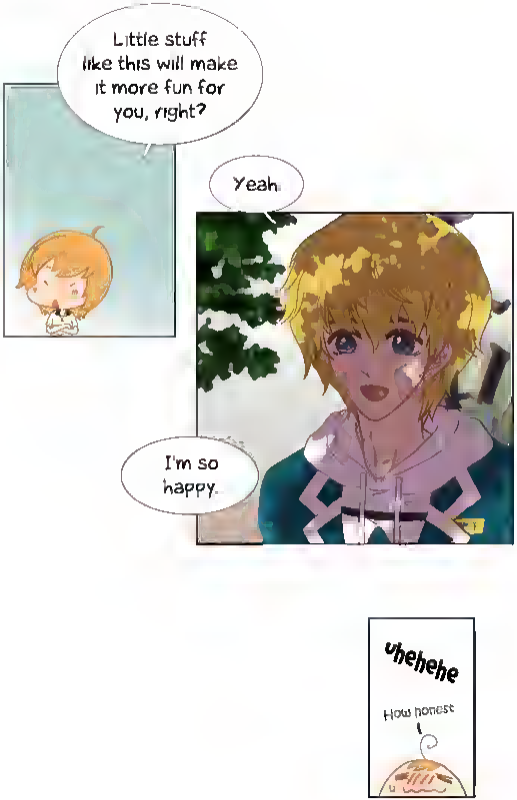
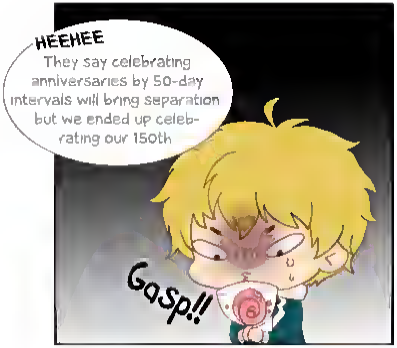
bashful...

I picked this 'cause I know you like candy~
Friendship candy, got it? Friendship candy!
Yup!
Yup!

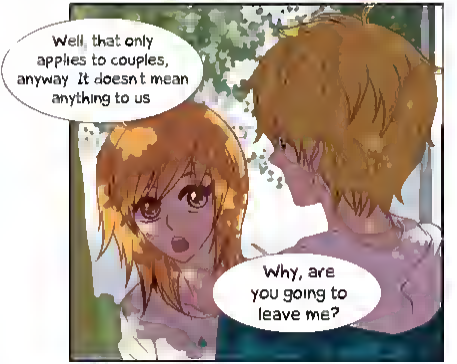


Little stuff like this will make it more fun for you, right?
Yeah.
I'm so happy.
Uhehehe
How honest



HEEHEE
They say celebrating anniversaries by 50-day intervals will bring separation but we ended up celebrating our 150th
Gasp!!

Then I won't take it
Haha~
lololol~

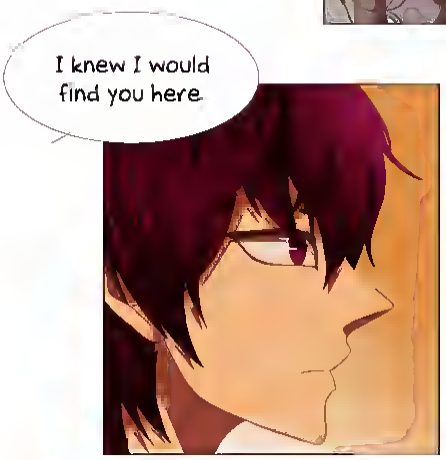


Well, that only applies to couples, anyway It doesn't mean anything to us
Why, are you going to leave me?

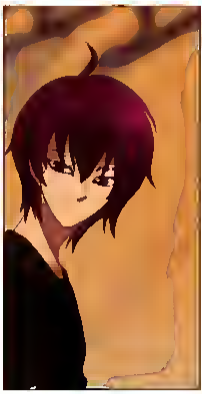
No! No!
shake
shake
Then we're good

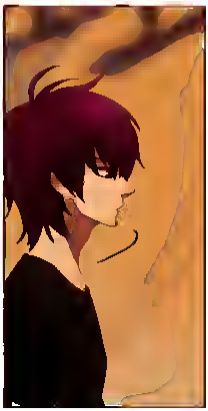
Yup.

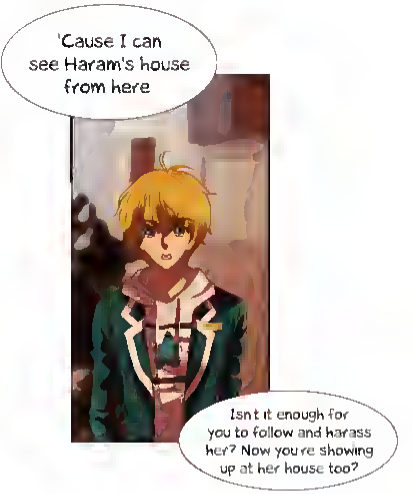
I promise.



I knew I would find you here.







'Cause I can see Haram's house from here
Isn't it enough for you to follow and harass her? Now you're showing up at her house too?

I have nothing to say to you
If you don't have business with me, get lost.

I came because I needed to ask you something
I'll leave after I hear the answer
I know all about your past now

Why you gave Haram the ring so long ago and watched out for any guys who approached her
The ring showed me why

I know your reasons,
but I don't understand them

It's not like there's any kind of relation between you and Haram, is there?

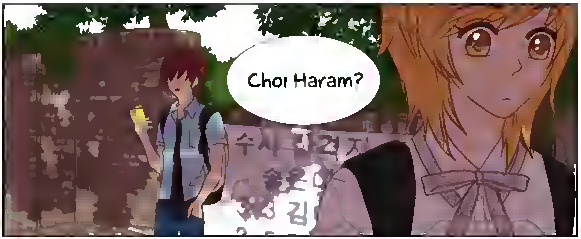
Thanks Jinhee! I'll give you back the text-book tomorrow
'Kay. See you
Myuk! Ggang! Yoon! Let's go home!
Wanna grab some bingsoo* on our way back?
Yeah!

(TN: It's a popular shaved ice dessert in Korea.)

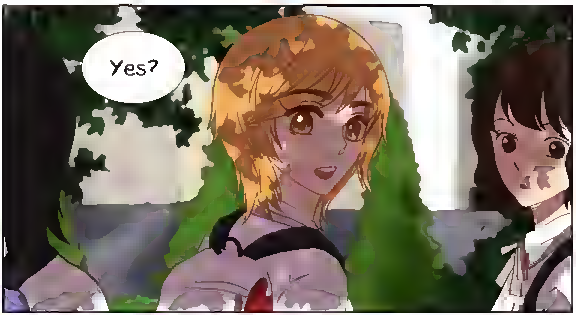
I want strawberry bingsoo.
I need red beans in mine!
We can all pitch in 2 dollars and get the big one. Since there's four of us~

giggle~
Alright. Let's go to the one in front of my house.

That guy just now was super tall.
He doesn't go here.
He's cute.
Lol! Sh-t-p
You have a boyfriend



Choi Haram?



Yes?

You're the girl who posted this pic, right?

Jung Eden

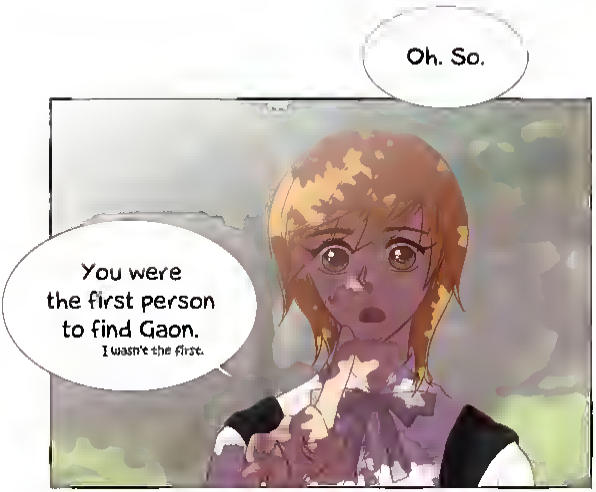
11th grade)
Knew Gaon in the past

Sounds like BS to me.
Try to be more clear with your assertions
YOU

I think there must be something wrong with your head maybe
I was the first person Gaon met when he became a ghost
If that wasn't the case you wouldn't be able to see me.
You see, I've already died.
We met during my 9th grade spring break
I was around 15 then
I don't have any memories.



Oh. So.
You were the first person to find Gaon.
I wasn't the first.

Yup and...

Wrong choice of words, pal!

He said he was going to come home with me, then disappeared all of a sudden
Huh?

I thought maybe he passed on
But to think he's been living with a girl
You go Gaon!
Stop making it sound weird!

This kid doesn't know?

You said you've met Gaon.
Did you by chance lose this necklace?

Hi to you too, Ran-oppa.

Don't skip tutoring today
Of course I even finished all my homework!

Yo, let's go find Yu Gaon.

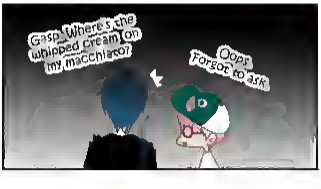
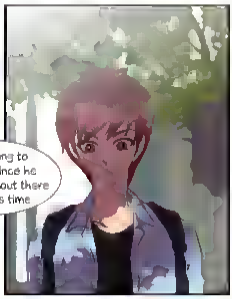
Why? Worried because she's talking about some other guy?
It's not like that...



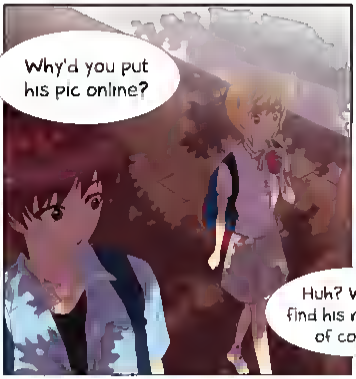
Gasp. Where's the whipped cream on my macchiato?
Oops. Forgot to ask.

Hey you were totally crushing on that guy back there right?
Urk
None of your busi-ness!

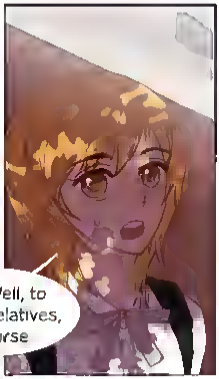
Just focus on meeting Gaon again



We're going to the park, since he likes hanging out there around this time



Why'd you put his pic online?

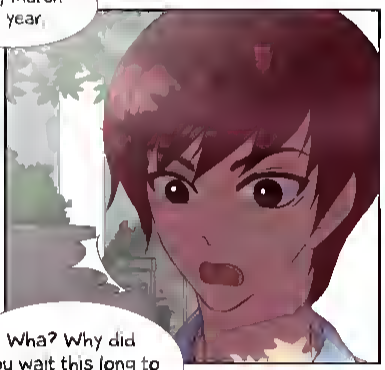


Huh? Well, to find his relatives, of course

You said you were close to him. You know he has no memories, right?

Hmm. When'd you meet him?

Early March this year.



Wha? Why did you wait this long to post his picture?

Wouldn't it have been better to start searching early?

Hey, just taking the picture was hard enough!

Ever taken pictures of a ghost before?

Besides Gaon didn't want his "memories to come back."
So I uploaded it without telling him

"Come back"? His memories? Is there a way?
Yup. This necklace used be Gaon's when he was alive.
His memories are stored in it and he can see them when he touches it
Neat, huh?

Then why are you doing all this?

Hmm?

He said he doesn't want his memories back
Why are you digging into a past he doesn't want to remember?

Huh? Uh...
Never thought of it that way.

Was I being too straightfoward?

I didn't even think to ask.

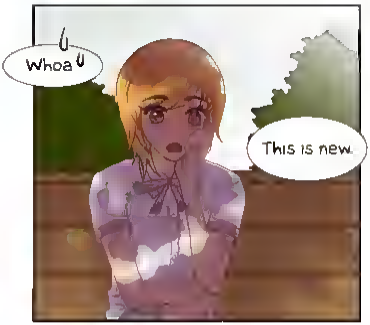
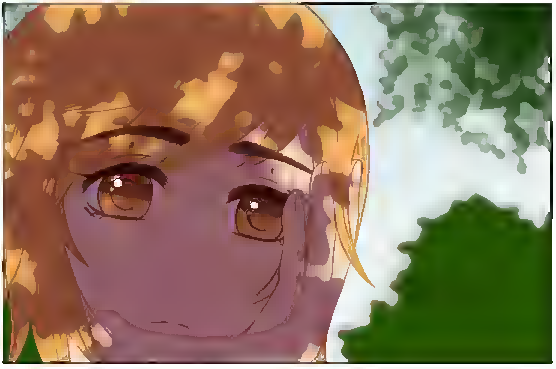
-Chapter 58
Meaning

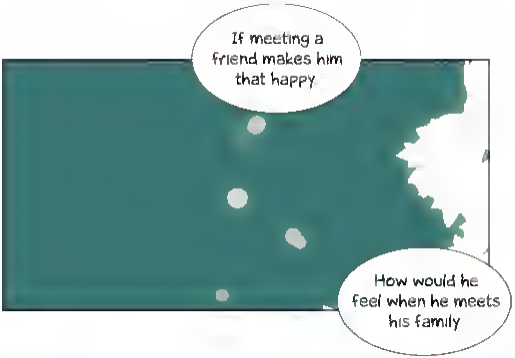


Whoa
This is new.

A boy his age crying
Is Gaon crying too?
Haha
He does kind of look like he's going nuts. I wonder if I look like that



Sure looks happy.
Bet Gaon's all smiles too I can see it in my head
They must have missed each other



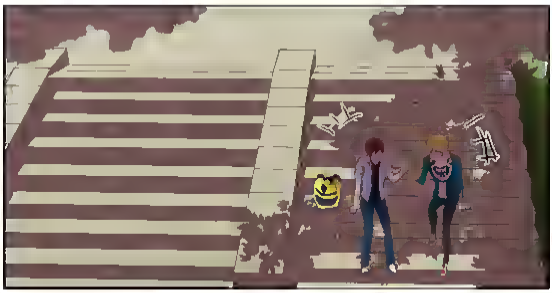
If meeting a friend makes him that happy
How would he feel when he meets his family

I won't force you to meet them. You're free to do as you like.
But.
Even if you have painful memories, even if you're scared

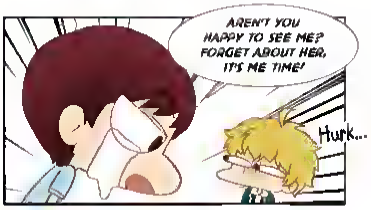
I want to find them for you.

Because...

Even Gaon surely has happy memories that he doesn't want to forget



Haram must be bored.
She said it's okay to take as much time as we need



AREN'T YOU HAPPY TO SEE ME? FORGET ABOUT HER, IT'S ME TIME!
Hurk...

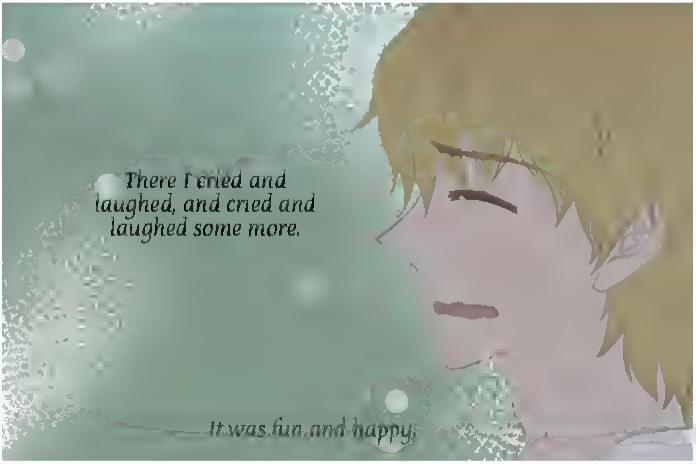
Really, didn't you think about me even once?
pout...

I thought of you when it snowed
I even talked to some random high school guys thinking they were you
I was worried.

Aren't you proud?
G-boy

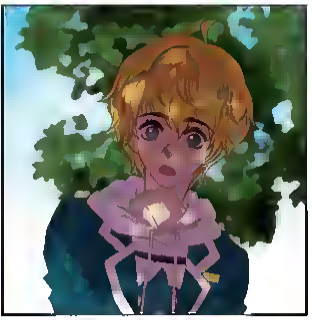
Of course I thought about you
When I was in my blank state without any memories you gave me my first one

I stayed in that spot for a long time, thinking of the time we spent together.
The memory of you was all I had.
So I played it in my head, over and over.



sad and nostalgic,

and so lonely.



What's this??

Whoa, wait seriously?
Do you like that girl?

Uh...
I...

Yeah.

I do like Haram.

Ever since I first met her.

Please play with me.

Hey, you. You're not even from this school so why are you in the girl's restroom?

I haven't seen that uniform before.

Oh my...

And even now...

But

I know
I shouldn't

I can't expect
anything, either

Since I'm
not alive,

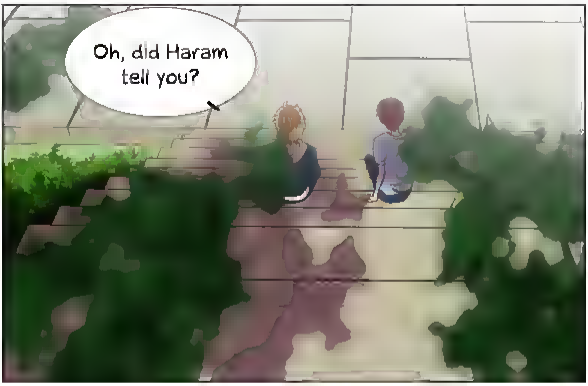
what I feel
doesn't mean
anything.

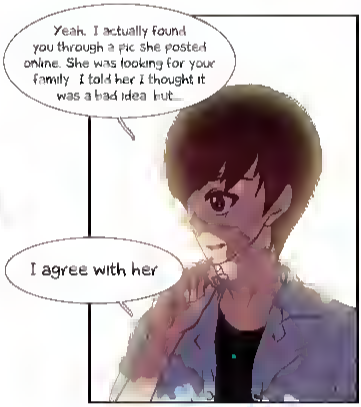
Aw, c'mon,
that's not true.

Well, yeah, the
situation is kinda
weird but...

I don't think that changes how you feel.
Of course it means something. What you're feeling are your own true emotions from your own heart.

Gaon, I think it's more important that you don't leave any regrets.
Just be honest and tell her how you feel
And, I wish you would think more of yourself
Oh, yeah! So there's a way to regain your memories?

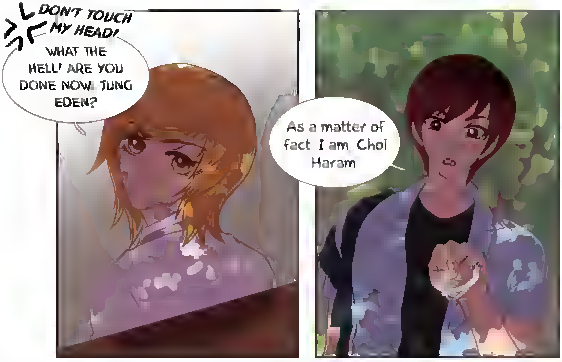




Yeah. I actually found you through a pic she posted online. She was looking for your family. I told her I thought it was a bad idea. but...
I agree with her

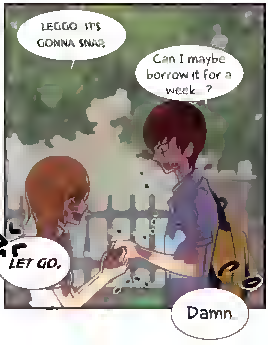
I think you'll regret it if things stay this way...

So Gaon...I think...

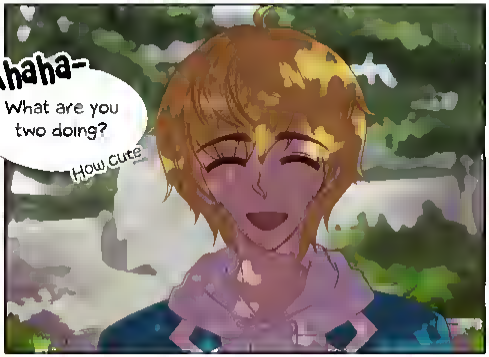


DON'T TOUCH MY HEAD!
WHAT THE HELL! ARE YOU DONE NOW, JUNG EDEN?
As a matter of fact I am Choi Haram

Here's your necklace
rustle



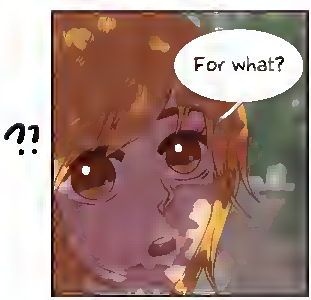
LEGGO! IT'S GONNA SNAP
Can I maybe borrow it for a week..?
LET GO.
Damn



Ahaha-
What are you two doing?
How Cute

He said I was cute
My gaydar is starting to react

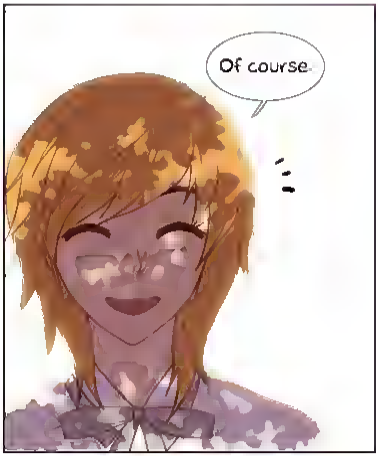
whisper~
Hey, thanks.



?!
For what?

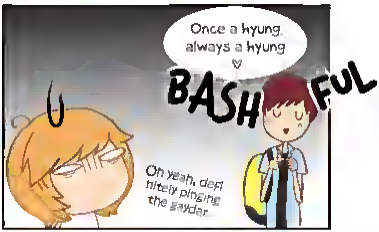
For finding the necklace
And for not abandoning Hyung and being his friend

Coincidence or not, it was fate
Take care of him, will ya?



Of course.

Oh, yeah. Why do you still call him hyung? Aren't you guys the same age by now?



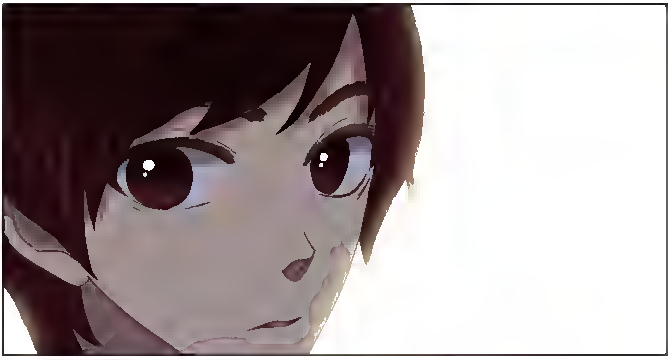
Once a hyung, always a hyung
BASHFUL
Oh yeah, dept. hitely pinging the grader.

I'm gonna visit often. See ya guys!

Thought he was just rude at first, but he ended up being a good and honest kid
Still weird though.
I thought he was a mean little kid at first too, but he actu ally turned out to be pretty nice
?!!
Let's go home.
Yeah.
Smile~

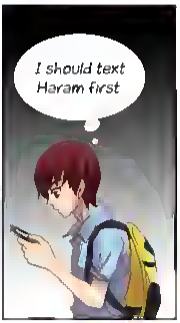
Whoa, look at all these people. Must be 'cause it's vacation season.

Should I get some walnut cookies? Mom really likes the ones from here.



Huh?

Ah! What!
Wait a sec..!



I should text Haram first

I'm guessing he means he'll visit soon.

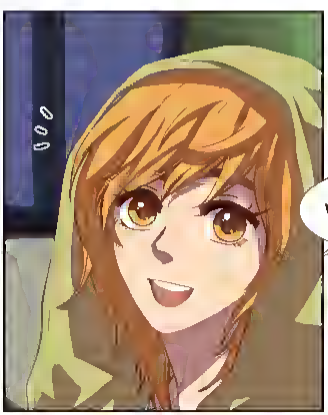
Freshly showered

Huh? Writing in your journal so early in the day?

Just so I don't forget any details of my reunion with Eden.

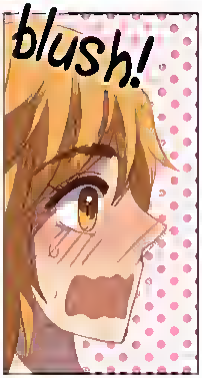
Ah!

Haram, I have a favor to ask you.



What is it?

Can I touch?



blush!

You dare lay your hands on a maiden's breasts?!
Uh no... I meant the necklace~
There's nothing to touch there anyway
?!

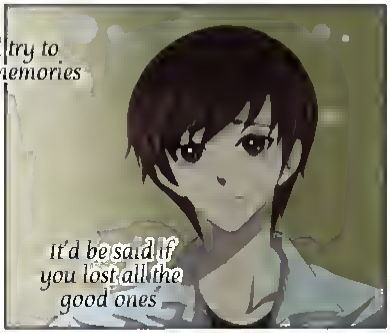
MOTHER! WHO TAUGHT YOU TO SPEAK THIS WAY?!
Dramas
The readers of Pinocchio don't appreciate this sort of humor
I'M SORRY

Anyways,
You want to touch the necklace?
But if you do your memories
Ouchie~
Yup, the memories will come back
I thought you were scared to find out how you died
I think you and Eden are right

Yeah. I actually found you through a pic she posted online. She was looking for your family ...I told her I thought it was a bad idea, but...
I agree with her

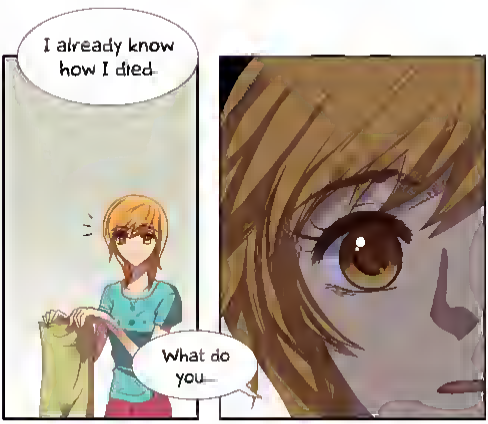
I think you'll regret it if things stay this way.

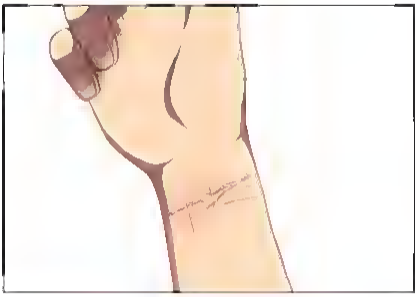
So Gaon...I think...

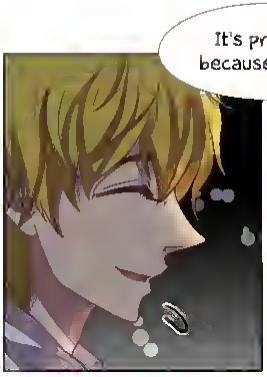


I want to know what kind of person I was

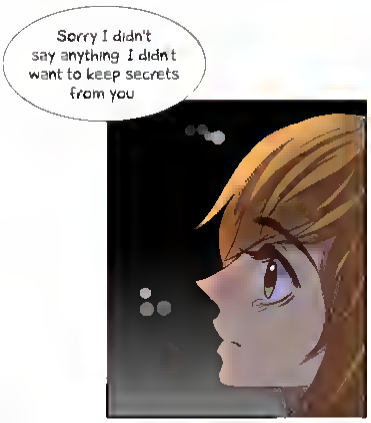
And I want to know about my parents



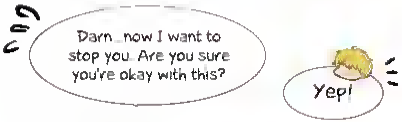




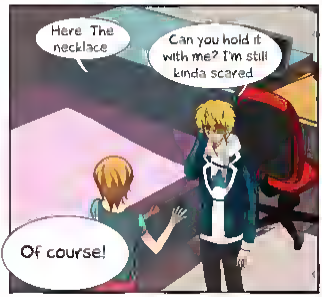
It's probably because of this.
I was afraid to find out what led me to this.



What could have happened for you to make such a decision?



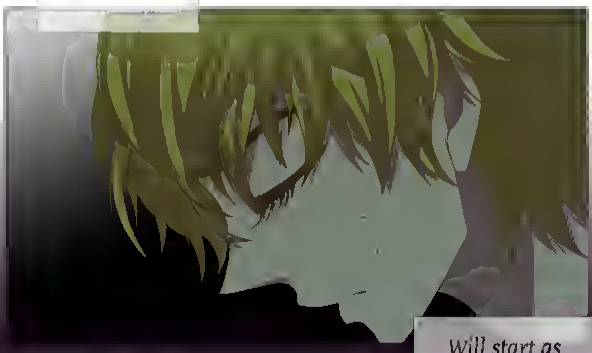
Darn...now I want to stop you. Are you sure you're okay with this?
Yep!



Here. The necklace
Can you hold it with me? I'm still kinda scared
Of course!

Don't be scared
I'll be by your side
I'll be waiting, don't worry...

The memories.



Will start as soon as you touch the object.

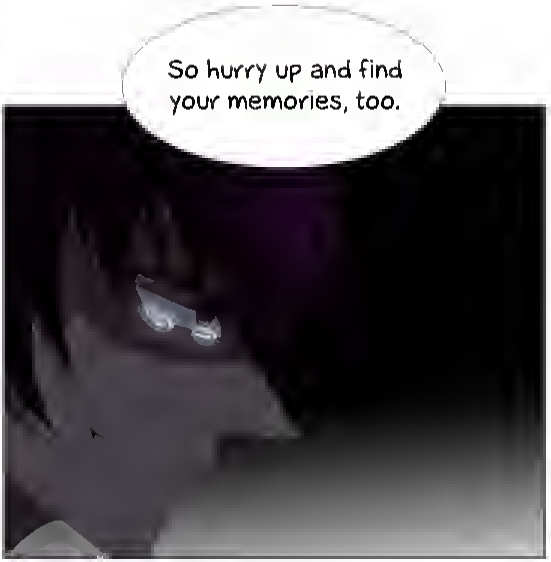
It plays before my eyes. More like the memories forcing their way in, rather than a dream..

Whatever the reason, once the memories are back, you always regret it

Once it's back, you'll keep seeing it whether you want to or not. You won't be able to forget.

Everyone's memories are stored in their own items.

So, finding the memories can only lead to pain.



IT'S NOT FAIR IF I'M THE ONLY ONE SUFFERING.

It's been a day since Gaon disappeared.

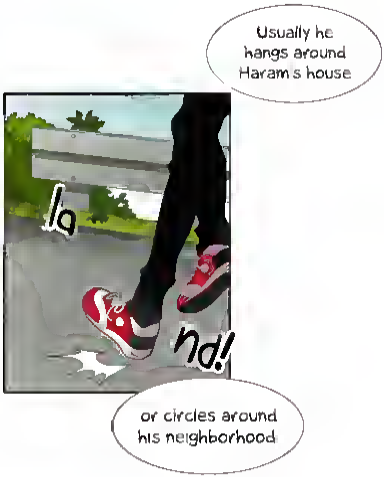
Gaon, when are you coming back?

Are you coming back?



Usually he hangs around Haram's house

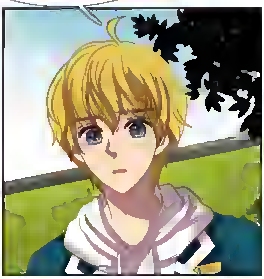
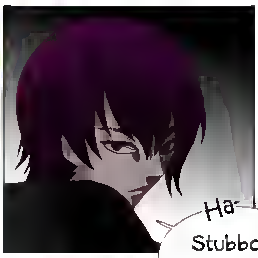
or circles around his neighborhood

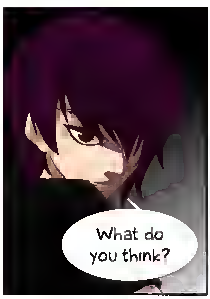
What's he doing here now?

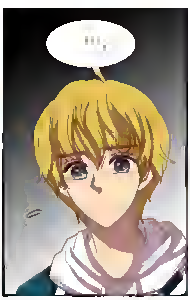
It was hard tracking down your aura.

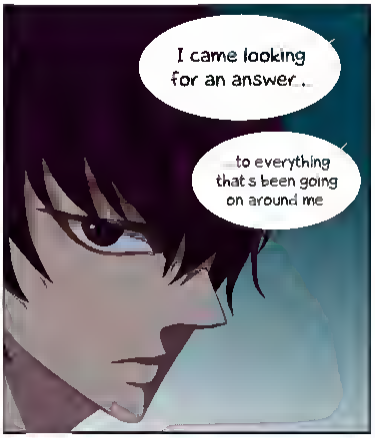




Ha~ Stubborn brat





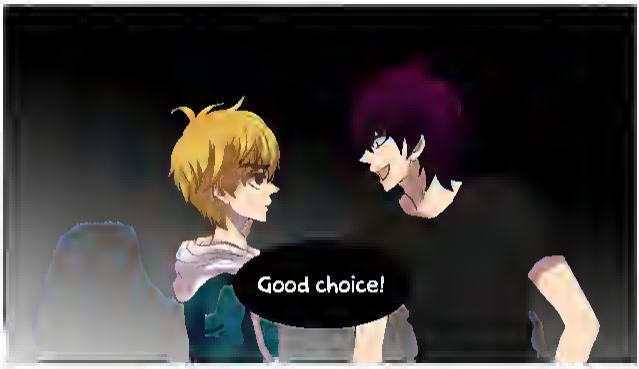


I came looking for an answer..
...to everything that's been going on around me

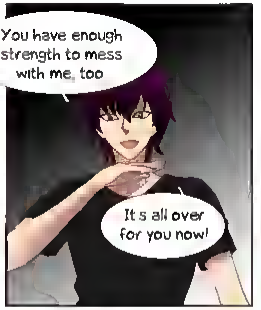
sni
What? Did you recover your memory or something?
gger

That's right. I did.

So you finally remembered!



DOES IT HURT?



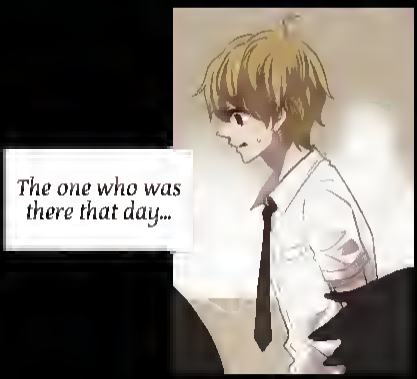
Although it may be for you,

...It isn't too late for me.

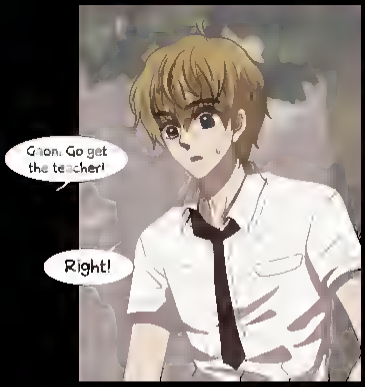
I figured out how...

...you learned about [Hanbit] and brought [Heo Sujin] back into the picture again

Hanbit was in (my memories).



Hey! Bakha!
And Hanbit too! What happened?!
SFX: Dash

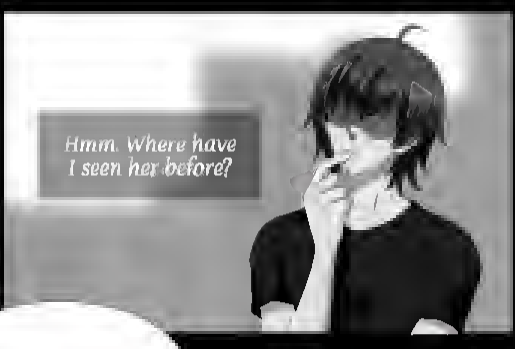


Gion. Go get the teacher!
Right!

...was me

You didn't like me hanging around Haram, and you didn't like the fact that Haram liked Habit.

You resented us because we were [linked].

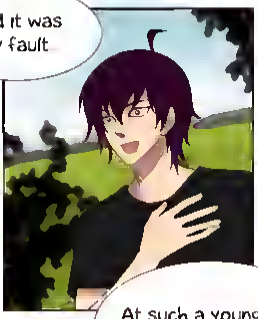


Then you ran into Heo Sujin, and plotted against us.

And because Haram resembles your little sister,
This is yours, right?
...you projected your feelings onto her instead.
From what I saw in your memories...your sister is already ..

That's right.
She's dead.

And it was my fault



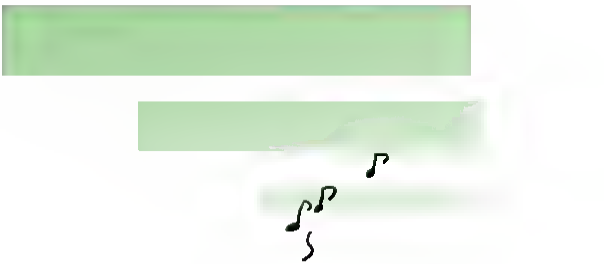
At such a young age
She wasn't even 10

Don't take your anger out on me.

I know the pain of loss.

I may not know your pain.
But the same goes for you.

What we do have in common is that we were both in enough pain that we wanted to disappear
...and made the wrong decision.
And you said before that we were different.



The reason
for that is--.

Oh It's Eden
Hello?

Hey Guess
where I am.

lol
What the hell, loser
What's this? Is that anyway to speak to your senior?
So mean only after meeting once?
It's cause you're easy
Senior my ass I'm hanging up

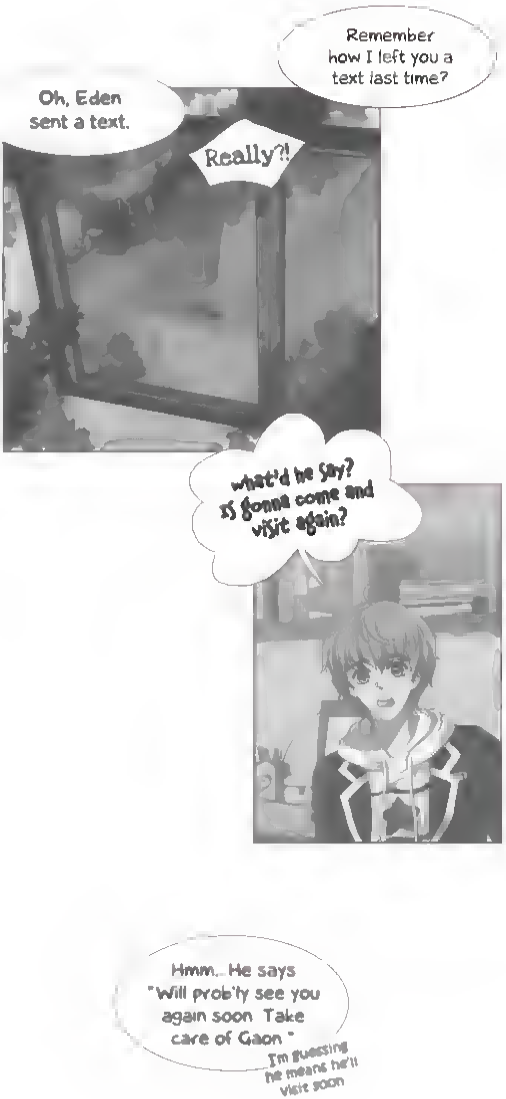
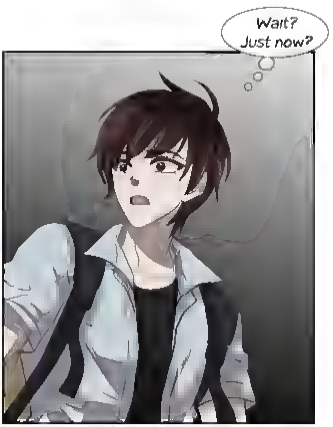
Yup, so we don't have to go looking for his den.

We do.



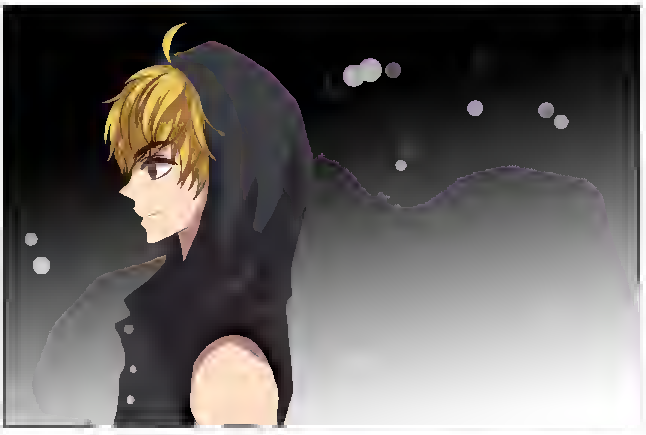
Remember how I left you a text last time?
Oh, Eden sent a text.
Really?!
what'd he say? is gonna come and visit again?
Hmm.. He says "Will prob'ly see you again soon Take care of Gaon "
I'm guessing he means he'll visit soon

It's because I saw someone.
Should I get some walnut cookies? Mom really likes the ones from here.

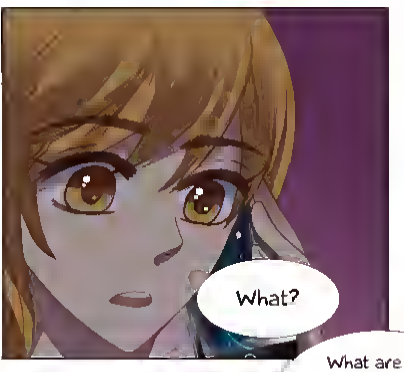


Wait? Just now?

What I saw
that day...



Rather, who I saw that day was Gaon



No, it wasn't the [ghost Gaon] I saw.

I'm
alive.
